

Contents

SECTION 1: History of Sexology and Sexual Medicine

- 1. The History of Human Sexuality: A Reflection Past**
"The Birds and The Bees"..... 3
Swati Ravindran, Debanjan Banerjee
 - An Introduction to Human Sexuality 3
 - Evolution of Sexual Expression through the Ages 4
 - Love is Love: A Look into Sexual Revolutions 9
 - Religious Differences in Perception of Sex and Sexuality 10
 - Evolution and Role of Pornography 12
 - Scientific Enquiry into Sex: the Rise and Rise of Scientific Sexology 12
- 2. History of Sexual Medicine in India..... 16**
Raj Brahmbhatt
 - History of Sexual Medicine as it Unfolds 16
 - A Notable Recent History of India 20

SECTION 2: Basic Science

- 3. Anatomical and Physiological Aspects of Sexuality 31**
Shobit Garg, Veena Tejan
 - Gross Anatomy 32
 - Neuroanatomy of Human Sexuality 35
 - Neurochemistry and Sexual Function 38
 - Physiology and the Sexual Response Cycle 38
- 4. Endocrine Functions and Sexuality..... 43**
Abhijeet Faye, Rahul Tadke
 - Central Control (Hypothalamo-Pituitary Axis) 44
 - Male Sexual Hormones 45
 - Female Sexual Hormones 46
 - Luteinizing Hormone Surge, Hypothalamus, and Feedback Inhibition 47
 - Hormones and Phases of Sexual Activity (Sexual Response Cycle) 48
 - Hormones and Sexual Behavior 50
 - Hormones and Sexual Orientation 50
 - Other Hormones 51
 - Clinical Implications 51

5. Normal Sexuality and Lifecycle of Human Sexuality: From Conception to Cremation 53

Sandeep Kumar Goyal, Manish Bathla

- Sexuality 53
- Components of Sexuality 53
- Sexuality in Children 54
- Puberty and Normal Sexuality in Adolescents 55
- Puberty 55
- Sexuality in Adolescents 55
- Sexuality in Adults 57
- Sexuality in Elderly 57
- Comorbid Medical Disorders and Sexuality 58

6. Sexual Response Cycle 60

Sumit Rana, Bhavuk Garg

- Various Models of Human Sexual Response Cycle 60
- Physiological Changes in Different Phases 62
- Neural Aspects of Sexual Response Cycle 62
- Hormonal Aspects of Sexual Response Cycle 64
- Effect of Aging on Sexual Response Cycle 64
- Disorders in Different Phases of Sexual Response Cycle 64

7. Sexuality and Gender 67

Henal Shah, Hrishikesh Nachane, Bhumika Shah

- Concept of Sex, Sexuality, and Gender 67
- Aspects of Sexuality and Sexual Behaviors 70
- Sexual Maturity and Plasticity 70
- Reasons for Gender Differences 71
- Sexual Desire and Fantasy 73
- Sexual Intercourse and Sex Life 74
- Other Aspects of Sexuality 76

SECTION 3: Clinical Assessments and Evaluations

8. History-taking and Clinical Evaluations in Sexual Medicine 83

Sujita Kumar Kar, Sankalp Dixit, SM Yasir Arafat

- Why is a Sexual History Important? 83
- What Needs to be Assessed? 84
- Psychosexual History 86
- Enquiring about Sexual Development 86
- Masturbation History 90
- Hypersexuality/Sexual Compulsivity? 90
- Evaluation of Paraphilias 90
- Objective Assessment of Sexual Functioning 91
- Physical Examination 91

9. Erectile Dysfunction: Laboratory and Advanced Tests 94*Vasan SS*

- Epidemiology of Erectile Dysfunction 94
- Diagnosis of Erectile Dysfunction 94
- Analytical Frame Work Used for Management of Erectile Dysfunction 95
- Endothelial Function 107
- Prospective Diagnostic Method 108

10. Rating Scales for Sexual Disorders 116*Om Prakash, Padmini Prabhakar*

- Scales for Sexual Desire 116
- Scales for Erectile Dysfunction 117
- Scales for Assessment of Dysfunction of Ejaculatory Phase 117
- Rating Scales for Orgasm Phase 118
- Scales which Measure Multiple Aspects of Sexual Functioning 118
- Rating Scales for Adjustment Between the Couple 119
- Scales for Assessment of Sexual Satisfaction and Sexual Quality of Life 119
- Scales for Sexual Knowledge and Attitude 120
- Scales for Assessment of Sexual Identity and Orientation 121
- Rating Scales for Specific Disorders 121
- Scales to Measure Compulsive Sexual Behavior/Sexual Addiction 122
- Rating Scales Specifically for Pornography Use 122
- Scales for Assessment of Sexual Dysfunction as Side Effect of Medicine 123
- Scales for Patients on Psychotropic Medications 123
- Rating Scales for Specific Population 123

SECTION 4: Sexual Disorders and its Management in Males**11. Erectile Dysfunction 131***Mrugesh Vaishnav, Parth Vaishnav*

- Definition of Male Erectile Dysfunction 132
- Epidemiology 132
- Physiology of Penile Erection 133
- Pathophysiology of Erectile Dysfunction 134
- Etiology, Risk Factors, and Medical Comorbidities Contributing for Erectile Dysfunctions 135
- Pathophysiological Factors 136
- Erectile Dysfunction and Cardiovascular Diseases 137
- Iatrogenic and Other Factors 138
- Psychosocial Factors 138
- Clinical Case Presentation for Treatment 139
- Diagnosis of Erectile Dysfunction 140
- Impact of Erectile Dysfunction on Sexual Behavior 144
- Sexual Stimulation and Erectile Dysfunction 145
- Aging and Erectile Dysfunction 145
- Refractory Period and Intermittent Erectile Dysfunction 145
- Probing Sociocultural Factors 146
- Treatment of Erectile Dysfunction 149

12. Ejaculatory Dysfunction 173*Adarsh Tripathi, Suyash Dwivedi, Ashish Kumar*

- Premature Ejaculation 173
- Delayed Ejaculation 180

13. Sexual Desire Disorders: Male Hypoactive Sexual Desire Disorder..... 185*Rajni Chatterji, Arunanshu Parial, Sonia Parial, Swati Choudhary*

- Definition and Classification 185
- Epidemiology 185
- Etiopathogenesis 186
- Aging and Hypoactive Sexual Desire Disorder 188
- Clinical Evaluation and Investigation 188
- Management 189

SECTION 5: Sexual Disorders and its Management in Females**14. Sexual Interest/Arousal Disorders..... 195***Neena S Sawant*

- Description and Nosology 195
- Epidemiology 196
- Etiopathogenesis 197
- Clinical Evaluation of Sexual Interest/Arousal Disorders 199
- Assessment and Investigations 201
- Pharmacological Management 203
- Nonpharmacological Management 204
- Surgical Management 205
- Future 205

15. Orgasmic Disorders 210*Sachin Nagendrappa, Lakshmi Shiva, Geetha Desai*

- Epidemiology 211
- Nosology 211
- Etiopathogenesis 212
- Evaluation and Management 213
- Treatment 214

16. Genitopelvic Pain/Penetration Disorder..... 222*Snehl Gupta, Swarndeep Singh*

- Nosology 222
- Burden of Genitopelvic Pain/Penetration Disorder 225
- Negative Impact of Genitopelvic Pain/Penetration Disorder 226
- Etiopathogenesis 227
- Clinical Evaluation and Investigation 230
- Management of Genitopelvic Pain/Penetration Disorder 231
- Future Direction 236

SECTION 6: Sexual Disorders with Other Conditions

- 17. Sexual Dysfunction in Various Psychiatric Disorders and Their Management 243**
Sujit Sarkhel, Varun S Mehta, Imon Paul
- Schizophrenia and Psychotic Disorders 243
 - Depression 244
 - Bipolar Disorder 249
 - Anxiety Disorders 249
 - Sexual Dysfunction in Miscellaneous Psychiatric Disorders 253
- 18. Sexual Disorders in Alcohol Use Disorder and Their Management 259**
Lekhansh Shukla
- Acute Alcohol Exposure and Sexual Functioning 260
 - Chronic Alcohol Exposure and Sexual Functioning 261
 - Other Clinical Issues Related to Alcohol Use and Sexuality 269
- 19. Sexual Disorders in Other Substance Use Disorders and Their Management 273**
PK Dalal, Nitika Singh, Sujita Kumar Kar
- Incidence and Prevalence 273
 - Substance Use and Sexual Dysfunction: Pathophysiology 275
 - Types of Sexual Dysfunction in Substance Use Disorders 278
 - Assessment of Substance Use Disorder in Sexual Dysfunction 279
 - Diagnosis 281
 - Management 281
- 20. Sexual Disorders in Medical Conditions and Their Management 285**
Swati Choudhary, Mukesh Kumar Swami, Naresh Nebhinani
- Epidemiology 286
 - Etiology 286
 - Pathophysiology 288
 - Approach to Diagnosis 291
 - Investigations 292
 - Treatment 293
- 21. Sexual Side Effects of Psychotropic Medications and Their Management 300**
G Prasad Rao, Priyanka Kumari, YSR Shanti Navyatha
- Medication-induced Sexual Dysfunction 302
 - Mood Stabilizers 303
 - Antidepressants 304
 - Antipsychotics 305
 - Psychostimulants and Atomoxetine 306
 - Anxiolytics 306
 - Treatment of Medication-associated Sexual Dysfunction 306
 - Approach to Management 309

22. Conditions Related to Gender Identity and Gender Identity Disorder 313

Kersi Chavda, Amrit Pattojoshi, Avinash De Sousa

- Overview of Clinical Terminology 313
- Epidemiology 314
- DSM-5 Criteria for Gender Dysphoria 316
- Psychiatric Assessment of a Case of Gender Dysphoria 317
- Some Insights into Causal Mechanisms Involved in Gender Dysphoria 318

23. Paraphilic Disorders 324

Rajesh Kumar, Niska Sinha

- Historical Background 324
- Clinical Characteristics 325
- Nosological Evolution 326
- Types and Various Terminologies 328
- Epidemiology 330
- Etiology 331
- Management 332
- Take Home Messages 334

SECTION 7: Sexual Abuse

24. Child Sexual Abuse in India..... 339

*Prakash B Behere, Mamidipalli Sai Spoorthy, Aniruddh P Behere,
Debolina Chowdhury, Amit B Nagdive, Richa Yadav, Rouchelle Fernandes*

- Epidemiology 339
- Psychosocial and Biological Impact of Child Sexual Abuse 340
- Identification and Examination of Child Sexual Abuse 340
- Management Strategies in a Child with Sexual Abuse 343
- Sensitization of Children in School 344
- Legal Issues Related to Child Sexual Abuse 345

25. An Overview of Adult Sexual Abuse in India 348

*Prakash B Behere, Mamidipalli Sai Spoorthy, Aniruddh P Behere,
Debolina Chowdhury, Amit B Nagdive, Richa Yadav, Rouchelle Fernandes*

- Psychosocial Issues Related to Sexual Violence 350
- Legal Issues Related to Sexual Violence 352
- Challenges in Handling Sexual Violence in India 353

26. Sexual Violence in Adults 358

TV Asokan, Kopal Rohtagi

- Theoretical Models of Sexual Violence 358
- Conceptual Issues of Sexual Violence 359
- Controlling Mechanisms 359
- Cognitive Mechanisms 360
- Psychological Reactions During an Assault 362

- After the Assault 362
- Reasons for Rape 363
- Short-term and Long-term Effects of Sexual Violence 363
- Offenders 363
- Forensic Examination of the Victim 364
- Male Victims 364
- Erection and Ejaculation Evidence 364
- Sexual Intimate Partner Violence 364
- Primary Prevention of Sexual Violence 365
- Other Measures of Prevention 365
- Research on Sexual Violence 365

SECTION 8: Special Topics

27. Principles and Practice of Marital Therapy 369

Anisha Shah

- Overview of Marital Therapy 370
- Marital Therapy: Assessment and Initial Phase 372
- Marital Therapy: Techniques and Middle Phase 373
- Marital Therapy: Process Competencies and Middle Phase 375
- Marital Therapy: Long-term Plans and Termination 377

28. Dual Sex Therapy: Principles and Practice 381

Ruksheda Syeda

- Principles of Dual Sex Therapy 382
- Barriers to Treatment for Dual Therapy 382
- Assessment of Couple Patient 383
- Relationship Recommendations to Couples 385
- Interventions 385
- Sensate Focus 385
- Cognitive Behavior Therapy 387
- Plissit Model 389
- Emotional Focus Therapy 389
- Psychobiosocial Approach 391
- Technology and Sex Therapy 392

29. Advances in the Pharmacotherapy of Sexual Disorders..... 395

Samir Kumar Praharaj, Chittaranjan Andrade

- Pharmacotherapy of Male Sexual Dysfunction 395
- Pharmacotherapy of Female Sexual Dysfunction 406

30. Sexuality and Sexual Disorders in Children and Adolescents..... 415

Vivek Agarwal, Chhitij Srivastava

- Emergence and Progression of Sexual Behaviors 415
- Epidemiology and Phenomenology 416
- Factors Affecting Sexual Behavior 417
- When to be Concerned? 417
- Assessment and Management 421

31. Sexuality and Sexual Disorders in Older Adults..... 427*Migita D'Cruz, Chittaranjan Andrade, TS Sathyanarayana Rao*

- Introduction: Late Life Sexuality and Healthy Aging 427
- Physiology of Aging and Sexuality 428
- Sociological and Environmental Factors Affecting Late Life Sexuality 429
- Sexual Dysfunction in Later Life and Medicalization 431
- Epidemiology of Sexual Dysfunction in Older Adults 432
- Approaching Late Life Sexuality in Routine Healthcare 433
- Iatrogenic Sexual Dysfunction in Older Adults 434
- Multimorbidity, Mobility, and Late Life Sexuality 435
- Approach to Sexual Dysfunction in Older Adults 437
- Management of Sexual Dysfunction in Older Adults 440
- Sexual Abuse in Older Adults 443
- Dementia and Sexuality 444
- Aging in Long-term Residential Facilities 445
- Gender Identity and Sexual Orientation in Late Life 445
- Gerodiversity 445

32. Sexuality in the Contemporary World and Newer Emergent Sexual Disorders..... 450*Darpan Kaur*

- Nosological Evolutions 450
- Compulsive Sexual Behaviors 451
- Asexuality 451
- Contemporary Issues 452
- Critique 453
- Neurobiological Advances 453
- New-age Sexuality and the Internet 454
- Technology and Emerging Sexuality 455

33. Indian Research on Sexuality and Sexual Disorders..... 463*Siddharth Sarkar, Nishtha Chawla, Mahadev Singh Sen, Rishi Gupta*

- Sexual Behavior 463
- Sexual Dysfunction 466
- Knowledge about Sexuality and Sexual Behavior 472
- Cultural-bound Sexual Disorders 473

34. Legal and Ethical Aspects in the Practice of Sexual Medicine..... 479*Naveen Manohar Pai, Suresh Bada Math*

- Ethical Considerations to be Followed By Practitioners of Sexual Medicine 479
- Legal Considerations in the Practice of Sexual Medicine 481

35. Sex Education for Schools and Colleges 489*Neha Shah, Armaan Pandey, Alka A Subramanyam*

- Current State of Sexuality Education in India 489
- Objectives of Sexuality Education 491
- Comprehensive Sexuality Education 492

• Sexuality Education for Children with Disability	496
• Media, Internet, and Sexuality Education	497
• Role of Health Professionals in Sexuality Education	497
• Barriers to Comprehensive Sexuality Education	498
• The Path Ahead	499
36. Dhat Syndrome and Other Culture-bound Syndromes: Relevance to Psychosexual Health	501
<i>Hariprasad Ganapathy Vijayakumar, Debanjan Banerjee, TS Sathyanarayana Rao</i>	
• Culture-bound Syndromes	502
• Culture-bound Syndromes and Psychosexual Health	503
• Dhat Syndrome: Concept and Understanding	503
• Koro	510
37. Myths, Misconceptions, and False Beliefs in Sexuality and Their Management in Clinical Population	517
<i>Mrugesh Vaishnav, Parth Vaishnav</i>	
• The Myths and Misconceptions about Sex and Sexuality	518
38. How to Setup and Run a Sexual Medicine Clinic?.....	535
<i>Deepak K Juman</i>	
• Space	535
• Reception	536
• Doctor's Chamber	536
• Staff	538
39. How to Become a Sexual Medicine Practitioner?	541
<i>Ajayan Varughese, Sankalp Dixit</i>	
• Associations of Sexual Medicine Practitioners and Sexologists	541
• Journals and Magazines	544
• Courses	546
40. Sexual Medicine in General Practice	548
<i>Sanjay Deshpande</i>	
• The Extent of the Problem	548
• Common Sexual Problems in General Practice	549
• Sexual Problems in Illnesses	551
• Premarital Counseling	552
• Common Myths and Doubt About Sexual Life Asked by the Patients	552
• Sexual History-taking	553
• Physical Examination of a Man Suffering from Sexual Dysfunction	554
• Challenges in Treating Sexual Problems in General Practice	556
41. Media and Sexuality	557
<i>Vishal Indla, Bibi Ayesha, Indla R Reddy</i>	
• Sexuality in New Media	557
• Influence of Media on Viewers' Sexual Attitudes, Assumptions, and Behaviors	560

- Other Effects of Exposure 561
- Media Effects and its Theoretical Explanations 561
- Media Practice Model 562
- Digital Media Interventions to Reduce Sexual Risk 563

42. Behavioral Addictions: Internet, Pornography and Others 567

Shreemit Maheshwari, TS Sathyanarayana Rao

- Diagnostic Conceptualization 568
- Epidemiology 569
- Manifestations 570
- Treatment 571
- Discussion 571

43. Future of Sexuality and Sexual Medicine..... 573

TS Sathyanarayana Rao, Abhinav Tandon

- Classification of Sexual Disorders 573
- Treatment: Sexual Dysfunctions 576
- Elderly Sexuality 576
- Sexuality and Law 577
- Future Research Trends 578
- Sex and Technology 578
- Sexuality and Coronavirus Disease (COVID-19) 579

44. Sex, Sexuality, and Psychosexual Health in Individuals with Neurodevelopmental Disorders: A Primer 583

Aishwarya Sachdeva, Debanjan Banerjee

- Sexuality and Sexual Concerns at Different Stages in Neurodevelopmental Disorders 584
- Suggested Interventions in the Area of Psychosexual Health for Individuals with Neurodevelopmental Disorders 588
- Other Challenges in the Field of Psychosexual Health 596

45. Training Residents in Sexual Medicine: Needs, Challenges and Way Forward..... 603

Sandeep Grover, Swapnajeet Sahoo

- Training Needs 605
- Challenges and Difficulties 609
- The Way Forward 611

46. Pandemics and Psychosexual Health: Lessons Learnt From COVID-19..... 613

Prateek Varshney, Debanjan Banerjee

- Sexuality and Relationships During Pandemics 616
- COVID-19 and Sexuality: Implication for Relationships 620

- “Touch Hunger” and Mental Health: Role of Social Touch 624
- Human Immunodeficiency Virus Pandemic and Sexual Health 627
