Section 1 Management of Neonatal Emergencies

1. Neonatal Assessment and Triaging.....3
Ravi Sachan
2. Neonatal Resuscitation.....6
Ravi Sachan
3. Golden Hour Management..... 13
Ravi Sachan
4. Transitional Care from Delivery Room and Early Stabilization in NICU 15
Ravi Sachan
5. Surgical Emergencies..... 19
Sujoy Neogi
6. Neonatal Transport 31
Ronak Patel

Section 2 Specific Management

Cardiac and Pulmonary Disease

7. Management of Cyanosis..... 37
Anita Yadav
8. Management of Shock..... 41
Naveen Prakash Gupta
9. Management of Patent Ductus Arteriosus 49
Kiran More, Atif Majit
10. Management of Persistent Pulmonary Hypertension..... 54
Ashok C
11. Management of Respiratory Distress 56
Smriti Saryan
12. Management of Respiratory Distress Syndrome..... 59
Arvind Kant Manipal

13. Management of Meconium Aspiration	62
<i>Vivek Choudhury</i>	
14. Management of Apnea.....	65
<i>Richa Malik</i>	
15. Management of Pulmonary Hemorrhage	69
<i>Gaurav Jawa, Aheed Khan</i>	
16. Management of Bronchopulmonary Dysplasia.....	71
<i>Utkarsh Sharma, Vishal Kaushik</i>	
17. Management of Congenital Diaphragmatic Hernia	73
<i>Manan Parikh, Preetha Joshi, Vinay Joshi</i>	
18. Oxygen Therapy.....	81
<i>Sweta Kumari</i>	
Neurological and Renal Disease	
19. Management of Asphyxia	84
<i>Deepika Rustogi, Ankit Gupta</i>	
20. Management of Seizure	92
<i>Gurleen Sikka</i>	
21. Neuroprotective Strategies	96
<i>Somalika Pal</i>	
22. Cerebral Function Monitoring	102
<i>Vishal Gupta</i>	
23. Management of Intraventricular Hemorrhage	111
<i>Shikha Handa, Kunal S Chawla</i>	
24. Management of Hydrocephalus	118
<i>Jay Kishore</i>	
25. Management of Acute Kidney Injury.....	123
<i>Anunaya Katiyar, Enboklang Suting</i>	
Hepatic and Hematological Disease	
26. Management of Hyperbilirubinemia.....	129
<i>Anuradha Bansal</i>	
27. Management of Cholestasis	136
<i>Bikrant Bihari Lal, Vikrant Sood</i>	
28. Management of Bleeding	141
<i>Ravinder Yadav</i>	

29. Management of Polycythemia	143
--------------------------------------	-----

Kritika Famra

30. Management of Anemia	147
--------------------------------	-----

Swati Bhayana

Endocrine and Metabolic Disease

31. Blood Transfusion	151
-----------------------------	-----

Nidhi Jain

32. Management of Differences of Sex Development	154
--	-----

Aaradhana Singh

33. Management of Congenital Adrenal Hyperplasia	164
--	-----

Pinky Meena

34. Management of Hypoglycemia	169
--------------------------------------	-----

Sonali Verma

35. Management of Hypocalcemia	173
--------------------------------------	-----

Seema Rai

36. Management of Congenital Hypothyroidism	176
---	-----

Smita Ramachandran

37. Metabolic Bone Disease of Prematurity	179
---	-----

Aashish Sethi

38. Management of Inborn Errors of Metabolism	181
---	-----

Prince Pareek

Section 3 Supportive Management

Neonatal Ventilation

39. ABC of Ventilation	191
------------------------------	-----

Kumar Ankur

40. Pulmonary Graphics	199
------------------------------	-----

Lovish Gupta, Sanjeev Chetry

41. Interpretation of Blood Gas Analysis and Change in Ventilatory Strategies	208
---	-----

Anup Thakur, Mudita Arora

42. Management of Pain	215
------------------------------	-----

Kaushaki Shankar

43. Lung Protective Strategies	221
--------------------------------------	-----

Sankalp Dudeja

44. Ventilatory Strategies in Common Respiratory Disorder	223
<i>Amanpreet Sethi</i>	
45. Sudden Deterioration on Ventilator	229
<i>Mayank Priyadarshi</i>	
46. Ventilation Weaning Strategies	230
<i>Mamta Jajoo, Saraswati Kini</i>	
47. Continuous Positive Airway Pressure	235
<i>Tejo Pratap</i>	
48. Heated Humidified High-flow Nasal Cannula	238
<i>Ashish Jain</i>	
49. High-frequency Oscillatory Ventilation.....	240
<i>Sreedhara MS</i>	
50. Inhaled Nitric Oxide	243
<i>Anil Batra</i>	
51. Extracorporeal Membrane Oxygenation	245
<i>Rachit Mehta, Vinay Joshi, Preetha Joshi</i>	
Neonatal Infection	
52. Management of Sepsis	251
<i>Pratima Anand, Manisha Garg, Srishti Goel</i>	
53. Antibiotic Stewardship	261
<i>Somosri Ray</i>	
54. Management of Neonatal COVID-19	268
<i>Swati Manerkar, Kalathingal Thaslima Aboobacker</i>	
55. Management of Neonates Born to Mothers with Tuberculosis, HIV, Varicella, and Hepatitis B	271
<i>Tapas Bandyopadhyay, Rashi Gupta</i>	
56. Management of Congenital Infection	277
<i>Vikram Bedi</i>	
Neonatal Nutrition	
57. Management of Feeding in Low Birth Weight Neonate.....	290
<i>Srishti Goel</i>	
58. Total Parenteral Nutrition	299
<i>Chinmay Chetan</i>	
59. Management of Donor Human Milk.....	308
<i>Malvika Haldwani, Avadhesh Ahuja</i>	

60. Management of Extrauterine Growth Retardation.....	311
--	-----

Anita Singh

Neonatal Nursing

61. Management of the Newborn: In Postnatal Ward.....	318
---	-----

Ravi Sachan

62. Breastfeeding	323
-------------------------	-----

Malvika Haldwani

63. Management of Hypothermia	328
-------------------------------------	-----

Tanushree Joshi Bahuguna

64. Kangaroo Mother Care	331
--------------------------------	-----

Mahendra Jain

65. Supportive Management on Ventilator	336
---	-----

Sonia Thomas

66. Supportive Management on CPAP.....	337
--	-----

Jubilant James

67. Supportive Management of a Newborn During the Procedure	343
---	-----

Athira Thilakan

68. Developmentally Supportive Care.....	348
--	-----

Sonia Thomas

69. End-of-Life Care	349
----------------------------	-----

Purvi Patel

70. Infection Prevention Practices: Nursing Perspective.....	353
--	-----

Jubilant James

Section 4 Diagnostic Management

Echocardiography

71. Functional Echocardiography.....	361
--------------------------------------	-----

Kunal P Ahya

Ultrasonography

72. Cranial Ultrasound	371
------------------------------	-----

Rema S Nagpal

X-rays

73. Chest Radiographs	384
-----------------------------	-----

Sarvani Sattiraju, Shriyan Ashvij

Section 5 Discharge and Follow-up

74. Management of Follow-up of a High-risk Neonate..... 399
Murugesan A
75. Growth Charts 403
Sidharth Nayyar

Section 6 Basic Science

Fetal & Perinatal Medicine

76. Embryology for Neonatologist 425
Prince Pareek, Sukena Susnerwala
77. Common Antenatal USG Findings in Fetus 433
Kamal Arora
78. Fetal Surveillance 443
Chanchal
79. Antenatal Corticosteroid and Magnesium Sulfate..... 452
Susanta Kumar Badatya
80. Management of Neonates with Maternal Illness 456
Raktima Chakrabarti

Neonatal Medicine

81. Neonatal Clinical Case Presentation (Clinical Case Proforma for History Taking and Examination) 460
Amarnath Saran, Shilpa Kalane
82. Neonatal Screening..... 486
Varun Vij
83. Communication in Newborn Care 493
Ramesh Choudhary
84. Communication During Resuscitation (Briefing and Debriefing) 496
Purvi Patel

Section 7 Quality Improvement in Neonatal Health Care

85. Point of Care Quality Improvement 503
Suprabha Patnaik
86. Quality Improvement Opportunities in Neonatal Health Care 506
Ravi Sachan

87. **Quality Improvement in NICU: An Experience** 514
Deepika Kainth, Meena Joshi, Anu Sachdeva
88. **Quality Improvement in Delivery Room: Improving Newborn Care Immediately after Birth (Routine Care): An Experience** 519
Ravi Sachan

Section 8 National Health Program

89. **National Neonatal Health Program** 529
Smriti Saryan, Arti Uniyal

Section 9 Annexures

1. **Procedure** 547
Sana Ibad Khan, Garima Saxena, Sanjeev Chetry, Amit Yadav, Souradip Banik, Bhavya Kukreja, Anunaya Katiyar, Anuradha Bansal, Nidhi Jain, Gunjan Srivastava, Neha Jain
2. **Equipment** 620
Manish Diwedi, Swati Upadhyay, Mrinal Sinha, Swati Jangra, Anantika Garg, Bobby Varghese, Arun Gautam, Neha Jain, Jubilant James, Garima Saxena
3. **Medication** 670
Richa Malik
4. **Common Laboratory Reference Value** 696
Sachin Garg
5. **Biostatistics** 700
Ramji Bhardwaj, Amit Yadav, Aparna Prasad
6. **OSCE** 720
Swati Upadhyay, Sidharth Nayyar, Naveen Prakash Gupta
